## Education

---

### Bachelor's degree in Information Technology

*Bachelor's degree program*

*IIT, Bhubaneswar*

*August 2019 - August 2023*

## Work experience

---

### iServeU Technology

*Software Engineer Intern, Python Department*

*February 2023 - September 2023*

*Bhubaneswar, Odisha*

Tech stack: Python, Flask, MySQL, BigQuery, Postman

- Developed the Automation Recon application for Finance Team's data automation.
- Wrote Python scripts for daily data extraction from BigQuery.
- Managed data storage in respective Google Cloud buckets and Google Drive folders.
- Utilized Python for generating Excel files and zip files for efficient data handling.
- Designed and implemented RESTful APIs with Flask for streamlined data access.
- Ensured API functionality and performance through testing with Postman.

## Technical Skills

---

### Programming Languages

Javascript, Python, MySQL

### Frameworks

Flask, FastAPI

## Projects

---

### Artful Living

*Project Link*

*HTML, CSS, JavaScript*

- Created a responsive website using HTML, CSS, and JavaScript.
- Designed a visually appealing and user-friendly interface for an online shop.
- Developed interactive features and navigation elements for the project, enhancing user engagement.
- Implemented Swiper slider to showcase content in an engaging way.
- Optimized images for faster page loading and improved performance.
- Integrated videos for dynamic content presentation.
- Tested and optimized the project for compatibility with different web browsers.

### Dashboard

*Project Link*

*Html, CSS, JavaScript*

- Developed a fully responsive admin dashboard using HTML, CSS, and JavaScript, leveraging CSS Variables, CSS Grid, and CSS Flexbox for flexible layout management.
- Implemented light and dark mode theme functionality, allowing users to switch between different color schemes to enhance user experience and accessibility.
- Utilized Media queries to ensure the dashboard adapts seamlessly to various screen sizes, and incorporated CSS transitions and animations to create visually appealing and engaging user interactions.

## Certifications

---

- DSA in Python by Coding Ninjas
- Database Management System by Coding Ninjas
